President's Page

We're back,

After a year of no footy, being grounded for something we did not do and a summer that never happened, it's back, Football at South Belgrave. With purpose we take our positions, play our role and confirm commitment to South Belgrave Football Netball Club. Whether a coach, a player, an official, volunteer, sponsor, supporter or just an interested party- welcome back, enjoy and thank you for joining us here at the club for the first home game for 2021.

The coaches and players have been planning, training and recruiting and this year we are fielding sides across the board with both men's and women's football, Under 19's men's, two sides in Under 18s women's, netball and of course, the not so young Vet's football. Good luck this year and enjoy.

Behind the scenes the committee and a team of volunteers have done a powerhouse of work to make sure everything is ready for the 2021 season, well-resourced and welcoming for all. Thank you for everything, all the long hours, stressors and commitment to work through and make our club a true community club and enjoyable place to be.

By now we are COVID fatigued, so please don't be surprised that if you sneeze or cough that people around you may duck for cover. It comes with the new COVID territory. On a serious note though we ask that you abide by safe COVID practices, maintain social distancing, check in using our QR code and assist us the remain COVID free and playing Footy.

We truly thank all our sponsors both coming back and new, we welcome you and deeply appreciate your support of our club. To supporters and followers, if you haven't purchased a membership yet, see Shane Withers or Chris Cormack as there are some great packages and deals available.

It's all happening, so sit back enjoy the return of football and netball, and if I have forgotten something, well, I don't remember, so I do apologise and maybe by next edition I will remember.

Go south and let's get around and cheer on.

Match Reports - Seniors

After the success of 2019 and riding a wave into 2020, nobody saw what we had to endure for 2020. We had recruited soundly with the majority of the group sticking together for a tilt at more success. After the first practice match, beating Upwey by nearly 100 points we knew we had a solid foundation. Then we hit Covid and enough said about 2020.

At the start of pre- season, with all of the group committed and keen to start a solid year, we were still dealing with social distancing and small group numbers.

The groups started to grow and the numbers on the track were solid at the start of the 2021.

After a solid 7 weeks of training and three wins in all the practice matches, we were confident we would be competitive in the first round against Mulgrave.

Last Saturday saw our first game in Division two and an opposition we had never encountered before. After a slow start due to driving wind and rain, we managed to get our noses ahead, kicking against the wind. It was an arm wrestle in the second and third quarters with conditions not pleasant for football. We had 6 more scoring shots by the end of the third quarter than Mulgrave but only lead by 6 points.

The last quarter was different, our midfield lead by the captain, Liam Kidd starting to win the ball and drive forward. The ruck work was dominated by Ben Haddock and Mulgrave could not get passed the backline who were solid. The forward line clicked into gear and Tim Smith booted 4 and finished with 5 for the game.

It will be a highly competitive season in 2021 with some great footy played in the coming weeks. We hope all of our supporters jump on board and support us through this season.

We would like to welcome all the new players and their families to the club and hope they enjoy supporting the South Belgrave Football netball club.

New signings are: Tim Smith, Corey Wakefield, Trent Castledine, Ryan Silver, Leigh Lawson, Sean Paynter, James Milivojevic, Damien Gamer, Daniel Beyer, Matt Stevenson, Darcy Wilson and Cayden Black.

Match Report - Reserves

After such a long break it was great to be back playing footy, even if it was a cold, windy day out at Mulgrave.

The boys worked hard in what was a close contest all day. There were several lead changes, but a slightly more polished Mulgrave were able to hang on in a tense last quarter, winning by a goal.

With plenty of the group playing their first game for the year together, our boys will certainly be better for the run and we can expect to see improvement in the coming weeks as the side comes together.

Match Report – Under 19s

With the pre-season fast approaching, recruitment was really important for us. Seeing as we had 3 players on our list from December last year.

We mainly focussed on bringing in friends of our current players from both Lysterfield Wolves JFC and Ferntree Gully Eagles JFC.

We interviewed many potential players, however credit to the boys they wanted their mates to come up and play. The coaching staff were pleased with the result as it meant that the boys already knew each other quite well. They have already connected well both on and off the field.

After a long and intense senior pre-season, we travelled down to Mulgrave for our first hit-out. We were not sure what to expect, however we stuck to our game plan, which was a whole new style for all the boys. We were in the game until 3 quarter time, but our defensive running dropped off and we were over run in the last quarter. Although a loss on the board, the coaching group took a whole lot out of it and hope to rebound next week. Training is going well and it is only up from here.
